The nutritional information provided in the "Nutrition Guide" and otherwise on the popeyes.com website or in its restaurants is comprised of data provided by an independent testing company commissioned by Popeyes Louisiana Kitchen, Inc. d/b/a Popeyes (ABC Research, Inc.) and is current as of January 2012. The data is based on standard product formulations and portion sizes, which can vary due to sampling differences, seasonal differences, ingredient substitutions, supplier variations, slight differences in product assemble on a restaurant-by-restaurant basis, and other factors. All standard domestic Popeyes menu items are listed in the "Nutrition Guide". Some products may not be listed at all restaurants. Products currently being tested and other limited time offerings and other regional menu alternatives may not be listed. Serving sizes may also vary slightly. We encourage anyone with food sensitivities, allergies or other special dietary needs or concerns to consult with your personal physician or dietitian prior to eating at any Popeyes restaurant. Updated January 2012
